## Possibilities with Top Cup

- Top Cup can be combined with products such as: yoghurts, milk, ice cream, dessert, snacks, soup and drinks.
- We also offer you the possibility to create your own recipe, choosing from a broad range of raw materials to be combined with the finest granola.
- Looking for high protein, low sugar or high fiber? Our highly experienced R&D will create based upon your request. Fast and tasteful.
- You're looking for concept ideas? Contact us and we will put you on our innovation lists, ensuring you'll receive the latest's cereal innovations and complete concepts from first hand
- Besides bio-familia's wide range of tasty and healthy Müesli and Granola products, we also offer you: Premium quality Swiss chocolate coated crisps. They are available in many appealing shapes and colours.
- Stickers on the Top Cup, listing your brand, makes your product unique and are a real eye catcher. Bring your own idea; we will take care of the rest.
- Leporellos are known to be great collectables for children, can be used for marketing purposes, with the aim to increase the awareness on the shelves.
- Increase your brand awareness and increase your profit.
- Our whole plant is completely peanut-free.

# Technical Solutions

## Sizes

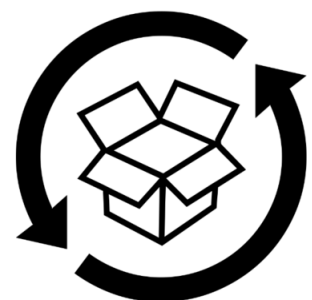

- Top Cups are available in many standard sizes and shapes. Common sizes 95mm and 75mm, fitting on the common (yogurt) bottom cups are available in many shapes and volumes. If you need a different diameter, please inquire, maybe we even have you matching Top Cup available in our standard range. We also offer the possibility to create your own Top Cup according to your ideas, shape, volume, or the diameter needed to fit your cup.

**Top Cups are made out of 100% mono material PET and Aluminum and both materials are fully recyclable**

- Top Cup: 100% A-PET (polyethylenterephthalat, recycling code 1)
- Lid: 100% Aluminum or 100% PET
- Our Top Cups consist of a large amount of recycled post consumer PET material

## Options spoons & labels

- The Top Cup is sealed with an aluminum lid or a PET lid, fitting the size of the Top Cup.
- To increase the level of convenience, we offer you Top Cups with wooden spoons. These spoons are made out of 2 parts which can be clicked together to offer a full size spoon for increased convenience. Do ask us of the options.
- You want to add a label on the top of the Top Cup; no problem. Our label applicator applies the label created by you. You design the label, we source it, we apply. The application process is free of charge: you only pay the cost price of the labels.
